Dear Families,

Over the coming weeks, staff from secondary school will be coming into to speak to staff in year 6 to ensure that your child's transition to their new school is as smooth as possible. Transition day is due to take place on **Wednesday 3rd July** – your child's prospective school will be in contact about the arrangements for this day. Children are working hard on their business ideas as part of the Young Enterprise 'Fiver Challenge' programme. The profits raised will help fund the year 6 prom. Children will be selling their products at stalls after school on **Thursday 20th June**. I will be sending out a survey to check if children can stay in school up to the later time of 4.00pm on this day.

This year, we will be holding a Dragon's Den style event where the children will pitch their ideas to a panel. To make this extra special, we are holding the event at the Wallaseyan's club. This will take place for the children on **Monday 10th June**. Children will be back in school for the end of the day. We will be working with the children on speaking confidently about their business, profits and marketing. To help prepare them for being in front of the Dragon's, we will be encouraging children to come in dressed in smart clothes. We will be give the payments out to children on Tuesday 11th June.

The show will now be performed on Monday 15th July at 4.30pm. The children are really excited and are enjoying learning the songs and their lines. We will contact you nearer the time for details about costumes and tickets. We will keep costumes as simple as possible.
